The Club Manager/President/Principal

Dear Sir/Madame,

It is with pleasure that we invite your club/institution/school to the 41st renewal of these Gibson McCook Relays. We look forward to an exciting 2019 event with even more overseas participation. Our relay carnival will take place at the National Stadium on Saturday February 23rd, 2019.

We ask you to peruse our website in preparation for the registration of your team. Registration for invitees opens on December 1st, 2018 via our website link <http://gibsonmccookrelays.com/>

Since this is an invitational event, there is no entry fee. Registration will be done via our website. Teams that did not register in 2018 can contact us through the website to enquire about registration.

The entry deadline is midnight of the last Saturday in January, which is January 26, 2019.

Please note that:

- The Committee selects each competing team, firstly, based on its performance over the last 12 months, and then based on lane availability.
- 1st, 2nd, and 3rd place medals are being awarded along with commemorative Gibson McCook watches for the winners of Championship events. Please ensure that your team is on time for the medal award ceremony.
- Awards will be made of the Neville “Teddy McCook” Trophy for the most outstanding performance of the meet, and for the top boys and girls schools.
- Teams are allowed to list a maximum of 6 competitors of which any four may compete.
- You will be registering your team on line as was done last year. We ask that you pay very close attention to the entry of dates of birth for every competitor. This is required to verify performances.
- Once you register on time, team entry packages will be available at:
 - The Stadium ticket office from the Monday February 18th
 - The Howard Aris Memorial Lecture at the UTECH Auditorium on Thursday February 21st.
 - On meet day before 10am in front of the National Arena.
- All ISSA age group, IAAF, and meet rules apply.
- Meet rules are posted on our website and will, as usual, be in the team package.
- The publication of the official start list will confirm the events for which your team is finally registered.
